HONORING, RECOGNIZING, AND RESPECTING

FLAGS

A flag of the United States of America, complete with gold fringe, tassels, and topped with a gold eagle, is posted next to the casket as a proud reminder of the Veteran's service to our country. We also secure a United States flag for displaying during services. This flag is then presented to the spouse or children of the veteran for their keeping.

A free flag case is provided to all Veterans with the purchase of any casketed burial package. This includes a certificate for a free name plate engraving.

VETERANS' BENEFITS

We will provide all necessary assistance regarding Veterans' Benefits. These benefits are provided at no cost to the family in recognition of the sacrifice and contributions of our nation's Veterans.

CEMETERY SERVICES

Whether choosing a national cemetery, the Iowa Veterans' Cemetery, or a private cemetery, we will assist the Veteran's family in arranging for the cemetery services they select. This includes ensuring that all of the appropriate paperwork and information is submitted and that benefits are provided for interment. If the burial is not in a national cemetery, we will further assist families in securing the marker provided by the Department of Veterans Affairs for its placement in a private cemetery.

MILITARY HONORS

We are honored to make arrangements for the final demonstration that a grateful nation can provide to a Veteran and their family, the rendering of Military Funeral Honors. If desired, we can also arrange that a bugler be available for the playing of Taps. Many times, the local Veterans' organizations are also called upon to help with this special tribute.

CASKET BEARER RECOGNITION

United States flag lapel pins will be presented to each of the casket or urn bearers in civilian attire as our gift in recognition of their service in escorting the Veteran to their place of rest.

MILITARY TRIBUTES

Custom Military Tribute Panels are available for the caps of most caskets, providing a way to highlight the Veteran's service to our country. Many caskets, and some urns, also offer LifeSymbols® corners or LifeStories® medallions customization which can be added to provide additional recognition. These tribute items are included in the price of the caskets and urns for which they are available.

PRESIDENTIAL MEMORIAL CERTIFICATE

Certificates that bear the signature of the current President of the United States of America are presented in recognition and commemoration of each Veteran's service to our country. We can procure a certificate for the surviving spouse and children of the Veteran. These are treasured family keepsakes honoring their service.

PATRIOT TRIBUTE

When we transfer a Veteran to their final resting place, the funeral coach displays the emblem of the Veteran's branch of service, unabashedly proclaiming to our community that a Veteran is being honored.

At Stewart Baxter Funeral & Memorial Services, we are committed to Veterans and their families.

Military funeral services require the family to provide a copy of VA Form DD-214 (Discharge Papers) showing the veteran's honorable discharge.

Details make the difference. . .

There's no rulebook for what a funeral can or can't be. A funeral serves to offer family and friends an opportunity for healing, support, and celebration of a well-lived life. We help you design a one-of-a-kind farewell for your loved one that reflects their individuality and spirit.

When it comes to the little things at a remembrance event, Stewart Baxter has them covered. Here are a few of the many items that are provided in our service when you select a package that includes our professional staff in coordinating the event.

LIVESTREAM SERVICES

Livestream services are available for funerals, memorials, and events that Stewart Baxter directs at any location that Wi-fi is available. We capture the stories and memories shared from events at the funeral home or at other locations of the services. This is especially important for family and friends who are unable to attend. Family members and friends anywhere in the world are able to be there with you. The livestream link is posted on your loved one's obituary page on the funeral home website or for more privacy, you can share the link privately.

PERSONALIZED MUSIC

You are not limited to traditional funeral music during your loved one's service. Customize the visitation or service with your loved one's favorite song or artist, or we are happy to help your family compile special music selections. You may connect your device directly into our sound system, or provide track title and artist to your funeral director for ease and assurance that the music is available for the event.

MEMORIALIZATION

Remember your loved one with a memory table display. You can include significant items from your loved one's life, including golf clubs, gardening tools, fishing gear, a musical instrument, a motorcycle helmet or jacket, knitting or sewing supplies...the possibilities are endless.

Display special photos, certificates, achievement awards and other significant items on photo boards for display at the memorial event. Tables and an ample supply of easels are available for your use upon request.

VIDEO TRIBUTE

There is no better way to remember your loved one than with a personalized video tribute. Our video program incorporates your family's pictures with music into a presentation that can be played at the visitation, during the service or at the conclusion of the service. We text you a link and you upload the photos. It's that simple. You can post the video online for family and friends around the world to see and share with generations to come.

ESTATE HELP & GRIEF SUPPORT

We are committed to helping you through the whole process, long after services have been held, and we have teams of professionals who will reach out to you to offer support in a variety of ways.

We will follow up to offer our support and grief resources, and to help with any questions or concerns you may have. Our estate specialists also help families wrap up the non-legal estate issues. We help notify companies and organizations, make sure you receive benefits, and even protect you by stopping junk mail, blocking solicitors, and setting fraud protection. We take care of necessary tasks for you, so you can mourn with your family and friends without having to worry about things being overlooked.
